Admission arrangements

11. The Academy Trust may only admit a child of compulsory school age under the following circumstances:
 - a. referred by a local authority where the local authority has a duty to that child under section 19 of the Education Act 1996.³
 - b. referred by a maintained school or Academy where the maintained school or Academy has a duty under Section 100 of the Education and Inspections Act 2006.⁴
 - c. referred by a maintained school under powers set out in section 29(A) of the Education Act 2002⁵.
 - d. referred by an Academy which, under general powers in the Articles of the Academy Trust may send pupils off-site to an alternative provision Academy as part of early intervention measures to address behaviour. Academies have the power to do this within their general powers under the Articles of an Academy Trust to advance education. However, as with a maintained school there is an expectation in law that a pupil will be educated at the school where he is registered, so placements would generally be relatively short and subject to review⁶.
12. The alternative provision Academy cannot accept applications from parents.
13. The Academy Trust shall have admission arrangements agreed with the Department

³ Section 19 of the Education Act 1996, and regulations made under that section, requires a local authority to make arrangements (from the sixth day of exclusion where a pupil has been permanently excluded) for the provision of suitable, full time (unless there are medical reasons as to why this would not be appropriate) education at school or otherwise who, for a range of reasons, would otherwise be without such education

⁴ Section 100 of the Education and Inspections Act 2006 requires maintained schools and Academies to arrange full-time education for pupils on a fixed period exclusion of more than five days from the sixth day of the exclusion

⁵ Section 29A of the Education Act 2002 provides that governing bodies of maintained schools may direct a pupil off-site "for the purpose of receiving educational provision which is intended to improve the behaviour of the pupil,

⁶ It is possible that some off-site directions may become longer term placements in cases where the referring school and local authority agree that the provision in an alternative provision Academy is meeting the pupil's needs, and that a mainstream school place cannot meet that pupil's needs. These pupils could fall within the terms of section 19 of the Education Act.

in accordance with Annex B of the funding agreement.

14. Commissioners will be updated on the progress of each student via Central Learning Manager (CLM), which will show daily attendance, daily rewards points, and updates on 6 weekly reviews on the learning passport.
