

East Birmingham Network Academy

Dear Parent/Carer,

21st April 2020

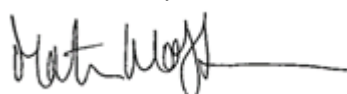

Re: School Closure Update

We hope you are all safe and well during this current time. As you are probably aware schools will be remaining closed for the next 3 weeks following government guidance (except for vulnerable pupils or children of key workers). Currently we have no requests from parents or carers for their child to attend school so the EBN2 site is closed. If your circumstances change and you need educational provision for your child please contact myself or Mrs. Shearer on the numbers in the contact list below. We are unsure as to when we will reopen so in the mean time we will send out weekly work packs to the pupils to ensure that they keep up with their school work as best they can. Once we reopen we will support pupils in catching up on any missed work. We have a lot of experience in helping young people fill gaps in their learning and are confident we will get them back on track quickly. While the Academy remains closed students can also access online work and resources using the following link <http://ebnacademy2.co.uk/links/>

Throughout the closure if your child requires extra work or needs support with the current work please contact the relevant member of staff using the contact list below. As you should already be aware we are also conducting weekly safe and well checks on all pupils. This is to check if you or your child need any extra help or support during this difficult time, however if you do have an immediate concern please call either myself or Mrs. Shearer using the numbers below. All pupils that are entitled to free school meals should have had contact from their home school to arrange for vouchers to be sent to you. If this has not happened please let us know and we will contact the home school on your behalf.

When we have further updates on the closure status and also the allocation of Year 11 GCSE grades, we will ensure you are informed as early as possible. In the meantime, if there are any issues with contacting staff or you have any other concerns, please do not hesitate to contact myself or Mrs. Shearer via email or phone.

Yours sincerely

Mr Matthew Baldwin
