Dear Parent/Guardian,

25th May 2023

As you are aware we have now completed the first two weeks of GCSE exams. The pupils have engaged really well with them and hopefully will continue to do so for the remaining two weeks. Below are the exam details and timings for year 11 for the first week back after half term – w/b 5th June 2023. Please note: when your child should be in school and their finish times depends on whether they are in school as normal or attending school for exams only. Please also note: the Biology exam on Friday 9th June runs past our normal Friday finish time of 12.30pm.

Can I stress that they have to attend the exams. If they do not attend, then they will fail that exam unless there is clear medical evidence that they could not take the exam. I will write to you again with arrangements for the w/b 12th June 2023.
