Dear Parent/Guardian,

8th June 2023

As you are aware we have now completed 3 weeks of GCSE exams. The pupils have engaged really well with them and hopefully will continue to do so for the remaining week. Below are the exam details and timings for year 11 for w/b 12th June 2023 and for Monday 19th June (GCSE Statistics only). Please note: when your child should be in school and their finish times depends on whether they are in school as normal or attending school for exams only. Please also note: the Geography exam on Friday 16th June runs past our normal Friday finish time of 12.30pm and those students who are doing the GCSE statistics exam have an exam on Monday 19th June 2023.

Can I stress that they have to attend the exams. If they do not attend, then they will fail that exam unless there is clear medical evidence that they could not take the exam.
