A Message of Thanks from EBN 2 Academy

Dear Parents and Carers,

On behalf of our pupils, staff, families, and the wider EBN 2 Academy community, I would like to express our heartfelt thanks for your incredible generosity and ongoing support of the charities we have chosen to champion this academic year.

Since September, together we have raised an outstanding £1,200.00

The charities that have benefited from your kindness include Macmillan Coffee Morning, held in honour of a much-loved former colleague, Show Racism the Red Card, and Children in Need. Each contribution—no matter the size—has helped make a meaningful difference.

Your support not only strengthens our community but also teaches our young people the true value and joy of giving in all its forms.

Once again, on behalf of everyone at EBN 2 Academy, thank you for your continued commitment and generosity.

Warm regards,
