Statement of Intent

Educational achievement and subsequent life chances for LAC and previously-LAC are of real concern. Pupils who are looked after require additional support and attention in order to improve their situation.

- Encourage pupils to reach their potential and to make good progress in relation to their professional, social and emotional development.
- Ensure that pupils enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for LAC/PLAC realistically and use the academy's resources efficiently to ensure the academy meets their needs.
- Promote a positive culture in all aspects of academy life.
- Help pupils develop their cultural, moral and social understanding.

4. Personal education plan (PEP)

All LAC must have a care plan; e-PEPs are an integral part of this care plan.

The e-PEP is an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential.

The e-PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.

The academy with other professionals and the child's carers will use the e-PEP to support the child's educational needs, raise the child's aspirations and improve their life chances.

All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the e-PEP process at all stages.

The e-PEP will address the pupil's full range of education and development needs, including:

- On-going catch-up support, which will be made available for children who have fallen behind with work.
- Suitable education provided by the LA, where the child is not in the academy because of suspension or exclusion.
- Transitional support where needed, such as if a child is moving to a new school.
- Academy attendance and behaviour support, where appropriate.
- Support to help the child meet their aspirations, which includes:
- Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
- Careers advice, guidance and financial information about FE, training and employment, that focusses on the child's strengths, capabilities and the outcomes they want to achieve.
- Out-of-school hours learning activities, study support and leisure interests.

The VSH and the designated teacher will ensure that information is included within a LAC e PEP or previously-LAC's surrounding how they are benefitting from any use of PP+ funding to improve their attainment.

Any interventions supported by PP+ will be [evidence-based](#) and in the best interests of the pupil.

5. Working with agencies and the VSH

The academy will ensure that copies of all relevant reports are forwarded to the LAC social workers, in addition to carers or residential social workers.

The academy will coordinate their review meetings; for example, hold their annual review of EHCP with the e-PEP where possible

The academy will work with other agencies and the commissioning school to exchange information, such as changes in circumstances, exclusions or attendance issues, taking prompt action, where necessary, to safeguard LAC and previously-LAC

Behaviour management strategies will be agreed between the VSH and the academy, to ensure challenging behaviour is managed in the most effective way for that individual child.

The designated teacher for LAC and previously-LAC will communicate with the VSH, child's social worker and other relevant professionals to facilitate the completion of the e-PEP.

Through the designated teacher, the academy will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's e-PEP are implemented without delay.

The designated teacher will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the child's educational attainment and progress.

PP+ for previously-LAC will be allocated directly to, and managed by, the academy.

The academy will work with the VSH to manage allocation of PP+ for the benefit of our cohort of LAC, or previously-LAC where appropriate, and according to their needs.

If deemed necessary, the academy will allocate an amount of funding to an individual to support their needs.

The designated teacher will ensure consistent and strong communication with the VSH regarding LAC who are absent without authorisation through Welfare Call

The academy will share their expertise on what works in supporting the education of LAC and previously-LAC

6. Training

The designated teacher and other academy staff involved in the education of LAC and previously-LAC have received the appropriate annual training, this may include information about the following:

- School admissions arrangements
- SEND
- Attendance
- Exclusions

- GCSE options
- Understanding social, emotional and mental health needs
- Promoting positive educational and recreational activities
- Supporting pupils to be aspirational for their future education, training and employment
- Safeguarding
-

7. Safeguarding

The academy recognises that many LAC or previously-LAC have experienced trauma, abuse or complex family circumstances that have led to them being placed in care, and will ensure that all staff are aware that experiences of adversity such as these can leave pupils vulnerable to further harm or exploitation.

All staff will be trained to recognise signs and indicators of safeguarding concerns and will ensure that extra vigilance is practiced in observing and identifying these indicators amongst LAC and previously-LAC as soon as possible.

Where a LAC or previously-LAC has a social worker, this will inform decisions about safeguarding, e.g. responding to unauthorised absence or missing education where there are known safeguarding risks.

The headteacher will implement appropriate pastoral support services in place throughout the academy to ensure that the welfare of LAC and previously-LAC can be adequately protected to the extent that reflects their increased vulnerability.

Staff will be encouraged to report to the DSL any concerns they have over LAC or previously-C in line with the processes outlined in the **Child Protection and Safeguarding Policy**. Where necessary, commissioning schools will be updated.

Staff will be regularly encouraged to look for signs of bullying and report to the designated teacher if they believe a LAC or previously-LAC is being bullied, as this can have a particularly negative impact on pupils who have early experiences of rejection or abandonment.

8. Pupil mental health

LAC and previously-LAC are more likely to experience the challenge of social, emotional and mental health issues which can impact their behaviour and education. Designated teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.

The designated teacher will work with the VSH to ensure the academy is able to identify signs of potential mental health issues, understand the impact issues can have on LAC and previously-LAC, and knows how to access further assessment and support, where necessary.

The academy understands that the increased frequency of mental health problems amongst LAC and previously-LAC may present a barrier to adequately identifying when mental health problems are indicative of a safeguarding concern. For this reason, the designated teacher will ensure that they, and all staff who maintain regular contact with LAC or previously-LAC are vigilant surrounding any changes in the mental health, behaviour, social inclination or mood of these pupils.

A strengths and difficulties questionnaire will be used on a termly basis through the e-PEP to help social workers and other relevant professionals to form a view about LAC.

9. Exclusions

Past experiences of LAC and previously-LAC will be considered when designing and implementing the academy's **Behavioural Policy**.

The academy will have regard to the DfE's statutory guidance '[Exclusions from maintained schools, academies and pupil referral units in England](#)' and, as far as possible, avoid excluding any LAC

Where the academy has concerns about a child's behaviour, the VSH and commissioning school will be informed at the earliest opportunity.

As far as possible, the academy will engage proactively with the social worker or carer of a LAC to provide appropriate support for underlying issues that may be causing poor behaviour and improving this behaviour.

Fixed Term Exclusion or placements closure will only be used as a last resort, after the academy, commissioning school and VSH have considered what additional support can be provided to prevent exclusion, and any additional arrangements to support the pupil's education in the event of exclusion.

10. Pupils with SEND

Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the child's PEP and care plan reviews.

The SENCO, LACs teacher, designated teacher and specialists will involve parents when considering interventions to support their child's progress.

If appropriate, the VSH can be contacted for advice, on proposed SEND provision for previously-LAC.

The designated teacher and the SENCO will ensure that LAC and previously-LAC with SEND are supported in line with the **SEND Policy**, with extra

consideration given to the fact that some of the usual procedures for supporting pupils with SEND may lack applicability for LAC, e.g. where LAC are in residential care and, thus, will have their EHC plans taken care of by the LA rather than the general stipulation of the place where they are ordinarily resident.

11. Information sharing

Appropriate and specific arrangements for sharing reliable data are in place to ensure that the education needs of LAC and previously-LAC are understood and met.

The arrangements set out include:

- Who has access to information on LAC and previously LAC and how data will remain secure?
- How pupils and parents are informed of, and allowed to challenge, information that is kept about them.
- How carers contribute to and receive information.
- Mechanisms for sharing information between the academy and relevant LA departments.
- How relevant information about individual pupils is passed between authorities, departments and the academy when pupils move.

12. Monitoring and review

This policy will be reviewed on an annual basis by the designated teacher and the Head Teacher/Local Governing Board

The next scheduled review date for this policy is July 2023.
